## **Agenda 2 Consideration for acknowledging the company's performance report for the fiscal year 2023.**

### **Facts and Rationale**

The Company has summarized its performance for the fiscal year 2023, as shown in the 2023 Annual report (Form 56-1 One Report).

### **Board's Opinion**

It is proposed to present to the Annual General Meeting of Shareholders for consideration and acknowledgment of the Company's performance for the fiscal year 2023. The Company has summarized its performance for the fiscal year 2023, as shown in the 2023 annual report (Form 56-1 One Report), as presented in attachment no. 3.

### **Resolution**

This agenda item is for acknowledgment. There will be no voting.

### **Agenda 3 Consideration for the approval of the Company's financial statements for the year ending 31 December 2023.**

#### **Facts and Rationale**

In accordance with Section 112 of the Public Limited Companies Act B.E. 2535 (as amended) ("PLCA") and Article 44 of the Company Regulations, which stipulate that the board of directors must prepare balanced financial statements and profit and loss accounts as of the end of the company's fiscal year to be presented to the shareholders' meeting at the annual general meeting for approval, the board of directors must ensure that the company's auditors complete the examination of the financial statements before presenting them to the shareholders' meeting. Additionally, Article 45 of the Company Regulations mandates that the board of directors must send the following documents to the shareholders along with the notice of the annual general meeting: (1) copies of the balanced financial statements and profit and loss accounts that have been audited, along with the auditors' report, and (2) the annual report of the board of directors.

### **Board's Opinion**

It is proposed to present to the Annual General Meeting of Shareholders for consideration and approval the financial statements, profit and loss accounts, and auditors' reports for the fiscal year ended 31 December 2023. These documents have been audited by the auditors and have been reviewed by the Audit Committee. They have also received approval from the Board of Directors. The Company has summarized its performance for the fiscal year 2023, as shown in the 2023 annual report (Form 56-1 One Report), as presented in attachment no. 3.

### **Resolution**

This agenda item must be approved by a majority vote of the shareholders present and voting at the meeting.

#### **Agenda 4 Consideration for approving the retention of profits from the operations for the fiscal year ended 2023 as reserves according to the law, and the decision to non-payment dividend for the fiscal year 2023.**

##### **Facts and Rationale**

In accordance with Section 115 of the Public Limited Companies Act B.E. 2535 and Article 46 of the Company Regulations, it is prohibited to distribute dividend payments from sources other than profits when the company has accumulated losses. Dividend payments must be distributed equally per share, unless specified otherwise in the regulations. The board of directors may temporarily distribute dividends to shareholders when it deems the company's profits sufficient to do so, subject to approval by the shareholders' meeting or the board of directors, as appropriate. Additionally, Article 47 of the Company Regulations stipulates that the company must allocate a portion of its net profits each year to reserves, which must be no less than 5% of the net profits minus accumulated losses, until the reserves reach at least 10% of the registered capital.

The Company has a policy to distribute dividends of no less than 50% of the net profits after tax and statutory reserves, considering the overall financial situation. However, the board of directors has the authority to temporarily exempt or modify this policy as deemed necessary. Due to the Company's losses according to both the consolidated financial statements and separate financial statements for the fiscal year ended 31 December 2023, amounting to 447.0 million baht, it is not possible to allocate profits for reserves according to the law or to distribute dividend payments.

##### **Board's Opinion**

It is proposed to present to the Annual General Meeting of Shareholders for consideration and approval the retention of profits from the operations for the fiscal year ended 2023 as reserves according to the law, and the decision to non-payment dividend for the fiscal year 2023, as detailed above.

##### **Resolution**

This agenda item must be approved by a majority vote of the shareholders present and voting at the meeting.

#### **Agenda 5 To consider and approve the appointment of directors to replace those who retired by rotation for the year 2024**

##### **Facts and Rationale**

According to the Public Company Limited Act B.E. 2535 Section 71 and the Company's articles of association Item 18, requires that at least one-third (1/3) of the number of directors shall vacate office at every Annual General Meeting of Shareholders. If the number of directors is not a multiple of three, then the number nearest to one-third (1/3) shall vacate office. At the 2024 Annual General Meeting of Shareholders, the following 2 directors will retire by rotation:

##### **List of Directors**

- (1) Mr.Somsak Nontakanok
- (2) Mrs.Chitkasem Moo-Ming

##### **Position**

Independent Director /Audit Committee  
Director

The Company has announced on the company's website and through the Stock Exchange of Thailand's news system, opening the opportunity for shareholders to propose individuals for consideration for election as directors of the company at the Annual General Meeting of Shareholders for the year 2024 between 12 October 2023, and 31 January 2024, following the principles of good corporate governance of the registered company. However, upon the expiration of the period specified by the Company, no shareholder has proposed any individual for consideration for election as directors of the Company.

The Company's board of directors (excluding directors with voting rights) has conducted the selection process by considering the qualifications as stipulated by law, regulations, relevant requirements, and the composition of the Board of Directors (Skill Matrix). The qualifications, skills, experience, expertise, and suitability deemed most beneficial to the company's operations were thoroughly considered through a rigorous screening process as prescribed by the company. Also, the Board of Directors has thoroughly and carefully considered and deemed appropriate to propose 2 director nominees who are fully qualified to perform company's business and for serving as directors of the company, to the Annual General Meeting of Shareholders for the Year 2024 to elect in replacement of those who are due to retire by rotation in 2024, which are as follows:

- |                            |                                                                     |
|----------------------------|---------------------------------------------------------------------|
| (1) Mr.Somsak Nontakanok   | Position: Independent Director/<br>Audit Committee for another term |
| (2) Mrs.Chitkasem Moo-Ming | Position: Director for another term                                 |

As it is considered that all 2 nominated persons are appropriate to be considered for election as company directors because they have knowledge and abilities that are beneficial to the company's operations. They also have knowledge and expertise in business administration, finance and experience in managing and developing organizations. The company director also considered and resolved that the nominated director in (1) is proposed to be independent directors of the Company; the qualifications comply with legal requirements for independent directors and meet all criteria for independence as defined by the company (details of which as appear in Enclosure 7) and can provide their opinions independently and in accordance with the relevant guidelines. Additionally, the individual nominated as an independent director do not hold the position of director or management in any companies which have conflicts of interest with the Company.

### **The Nomination and Remuneration Committee's Opinion**

The appointment of directors to replace those whose terms are expiring has undergone a thorough evaluation process as prescribed by the Nomination and Remuneration Committee. The committee has considered the suitability of the proposed directors to best serve the Company's business and operations, in line with the composition of the Board of Directors, considering their knowledge, skills, management experience, and expertise, as well as meeting the relevant criteria. Consequently, it is proposed to re-elect both directors whose terms are expiring for another term. The selection and compensation committee has thoroughly evaluated and found that the proposed individuals can provide independent opinions on the Company's operations and meet the qualifications as required by laws and regulations regarding the requirements for independent directors. Detailed profiles of both individuals are provided in attachment no. 5.

The shareholding information of the directors proposed for re-election in this instance.

\* Note: Number of shares, book closing information as of 28 December 2023

The proposed directors for re-election do not hold managerial positions in other companies that may cause conflicts of interest or compete with the Company.

### **Board's Opinion**

It is deemed appropriate to propose that the 2024 Annual General Meeting of Shareholders to elect two person(s) to be the Company's Board of Directors to replace those who are due to retire by rotation, namely 1. Mr.Somsak Nontakanok 2. Mrs.Chitkasem Moo-Ming which have been carefully considered and reviewed by the Nomination and Remuneration Committee and subsequently endorsed by the Board of Directors. The nominated director in 1 is qualified as independent director as prescribed in applicable laws and regulations pertaining to independent directors and possesses complete independence in accordance with the definition of an independent director of the Company. Profiles of the nominated directors, as well as definition of an independent director, are shown in Enclosure 5 and Enclosure 7, respectively. Besides, the directors who are considered to have potential conflicts of interest in this election were not in the meeting room and did not vote for the proposal at the Board of Directors' Meetings.

The Board of Directors has resolved to approve the appointment of Mr.Somsak Nontakanok as an independent director/audit committee member for another term (if reappointed for this term 3-years, the total period of being an independent director is 9 years). This decision is based on Mr.Somsak Nontakanok's knowledge and expertise, allowing him to provide valuable advice and recommendations to the company. The board has thoroughly considered and concluded that the proposed individual for the position of independent director can provide independent opinions and meets the qualifications as required by relevant laws and regulations regarding the criteria for independent directors.

### **Resolution**

This agenda item will require individual voting, with approval by a significant majority of the shareholders present and voting at the meeting.

### **Agenda 6 Consideration of approving the remuneration of the Board of Directors for the fiscal year 2024.**

According to Section 90 of the Public Limited Company Act B.E. 2535 and Article 34 of the Company's Regulations, directors are entitled to receive remuneration from the company in the form of salaries, bonuses, meeting allowances, gratuities, bonuses, or other compensation as determined by the shareholders' meeting, which may be fixed amounts, based on criteria, or temporarily specified until changed. Additionally, they may receive allowances and various benefits according to the company's regulations.

The provisions in one paragraph do not affect the rights of employees or staff of the Company who have been elected as directors of the Company to receive compensation or benefits from the Company as employees of the Company.

Determining appropriate director compensation is considered one of the practices under good corporate governance principles to maintain shareholder benefits and motivate capable directors to perform their duties for the company. The board should establish policies and criteria for determining director compensation that align with the duties and responsibilities of the directors, considering both the format and amount of compensation compared to similar industries, companies with similar revenue, and companies with comparable market capitalization in the same group.

### **The Nomination and Remuneration Committee's Opinion**

For the director's remuneration for the fiscal year 2024 to be proposed at the shareholder's meeting for approval, it will be paid in the form of monthly compensation. In determining the director's compensation for the year 2024, the Company considered the following criteria: appropriateness based on their responsibilities, the Company's performance, the board's performance, the level of delegated responsibilities, and good corporate governance practices. The Company also conducted a benchmarking exercise based on the Director Remuneration Survey 2022 by the Thai Institute of Directors (IOD) and found that the proposed compensation falls within the median range and is comparable to the market average. Therefore, it is deemed appropriate to propose to the shareholders' meeting to set the director's remuneration at an amount not exceeding 5,000,000 Baht, with no additional benefits, and to be paid in monthly compensation at the same rate as the previous year.

### **Board's Opinion**

The Company's board of directors, through appropriate screening and consideration by the Nomination and Remuneration Committee, has evaluated the criteria for setting compensation for board members. This evaluation takes into account the appropriateness relative to their duties, the performance of the board, the level of responsibility delegated to them, and industry benchmarks for director compensation in similar-sized companies within the same industry (Industry and Size of Company Benchmark). Additionally, the board has referred to the director compensation survey report for the year 2022 conducted by the Thai Institute of Directors Association (IOD), along with adhering to good corporate governance principles.

The components of compensation	2023	2024 (Proposed Year)
<b>1. Remuneration for the Board of Directors</b>

Nomination and Remuneration Committee	-None-	-None-
<b>Other Compensation Benefits</b>	-None-	-None-

Note: For the director compensation survey conducted by the Thai Institute of Directors Association (IOD), it is conducted every two years.

As for the details of the scope of authority and responsibilities of the Company's board of directors and its sub-committees, as shown in the annual report (Form 56-1 One Report), Section 2, Category 2.2 on Corporate Governance Structure, it is proposed that the Annual General Meeting of Shareholders consider approving the compensation of the Board of Directors and its subcommittees for the year 2024. This includes monthly compensation, which should be aligned with the industry practices for setting director compensation rates among similar-sized companies within the same industry. This proposal comes from the Nomination and Compensation Committee, which has considered the appropriateness based on the roles and responsibilities of the board, the Company's performance, and suitability in various aspects such as continuous business expansion, company success, and growth, leading to increased responsibilities for the board and its sub-committees. Additionally, in determining the compensation for the directors, board members, and sub-committee members, no other benefits are received apart from those specified above, excluding any compensation received in their capacity as employees of the Company.

### **Resolution**

This agenda's resolution must be approved by not less than two-thirds (2/3) of the total number of votes of shareholders attending the meeting.

### **Agenda 7 Consideration for the approval of the appointment of auditors and the determination of auditors' compensation for the fiscal year 2024**

#### **Facts and Rationale**

According to Section 120 of the Public Company Limited Act B.E. 2535 and Item 41 of the Company's articles of association, the business to be conducted at the Annual General Meeting of Shareholders shall include (5) appointing the auditor(s) and determining their remuneration. Furthermore, according to Notification of the Securities and Exchange Commission (SEC) No. 44/2556 regarding the criteria, conditions, and methods for disclosing financial status and performance of securities issuers dated 22 October 2013 ("Notification No. 44/2556"), companies issuing securities, whose shares are listed on the Stock Exchange of Thailand, are required to rotate their auditors to ensure auditor independence. This is because such companies have direct responsibility for financial reporting and selecting suitable auditors. The notification mandates that these companies rotate their auditors every 7 consecutive accounting periods, regardless of whether they are consecutive or not. The rotation does not necessarily require changing the auditing firm; the company may appoint other auditors within the audit office to replace the outgoing auditor.

However, the company may reappoint an auditor who has completed 5 consecutive accounting periods since their last rotation, provided they have ceased to perform their duties from the rotation process.

### **Audit Committee's Opinion**

The Audit Committee has considered the qualifications of the auditors, taking into account both the quality of their performance and their pricing. After evaluating the experience, qualifications, and pricing, it is the opinion of the committee that EY Office Ltd. ("EY") is a reliable audit firm with a good track record and adequate personnel with the necessary knowledge and expertise. Therefore, the committee recommends to the Company's shareholders to approve the appointment of EY as the Company's audit firm and to appoint one of the following individuals from EY as the Company's auditor. Additionally, they have expressed their views on the Company's financial statements for the fiscal year 2024. It should be noted that auditors from EY Office Ltd. have been auditing the Company's accounts for the past 9 years.

In the event that the aforementioned auditor is unable to fulfill their duties, EY is authorized to appoint another licensed auditor from their office to act as the Company's auditor and provide opinions on the Company's financial statements in place of the aforementioned auditor.

Additionally, it is proposed to set the auditing fees for the Company for the year 2024, as well as the quarterly audit fees for the year 2024 for the Company and its subsidiaries, at a total amount of 23,701,000 Baht. This proposal has been duly considered and approved by the Audit Committee and the Board of Directors. The details of the auditor's remuneration are as follows:

Additionally, there are no additional fees (Non-Audit Fee). The Company and its subsidiaries engage the services of the same auditing firm.

In addition, the audit fees for the Company and its subsidiaries have increased from the previous year due to the expansion of operations in additional business sectors related to increased investment activities. This includes operations related to digital asset transactions and the integration of technology into the Company's operations.

### **Board's Opinion**

Agree the proposal of the Audit Committee and recommend to the Annual General Meeting of Shareholders for the year 2024 to approve the appointment of the auditor(s) from EY as the auditors of the Company and its subsidiaries. Since the Company had an excellent operating performance in 2022 from the numbers in the financial statements for the year ended December 31, 2022, which the auditor audited, the Company had a net profit from the consolidated financial statements for 2022 of 1,794,961,092 baht.

In this regard, the Company allocated legal reserves of 10 percent of the registered capital according to the regulations of the Company. Therefore, there was no need to set aside additional legal reserves in this Annual General Meeting of Shareholders.

The Company had the policy to pay dividends at the rate of not less than 50% of net profit after tax and legal reserve, mainly considering the consolidated financial statements (with additional conditions). In this regard, the Company's Board of Directors had the authority to consider exempting from the said policy or change such policy from time to time. However, it had to be under the condition that such action had to be in the best interest of the shareholders of the Company, for example, to use as a reserve for loan repayment, an investment to expand the Company's business, or in case of changes in market conditions, which might affect the Company's cash flow in the future. Besides, according to Section 115 of the Public Limited Companies Act B.E. 2535 and Article 46 of the Company's Articles of Association, pay dividends from profits only. The dividends are prohibited if there are still accumulated losses.

The Company allocated profits and paid dividends in the form of cash from the Company's net profit according to its consolidated financial statements ending December 31, 2022, after deducting legal reserves, the total amount of not exceeding 1,615,464,983 baht or equivalent to a dividend payment rate of 1.11 baht/share. Besides, the Capital Market Supervisory Board notification requires that the Company rotate its auditor if that auditor has rendered his/her service for seven consecutive accounting periods. Such rotation needs not to change the audit firm as the latter may nominate its other auditors to assume the former auditor's duties. However, the Company may re-appoint any auditor to resume his/her function only when the period of five consecutive accounting periods has elapsed since his/her last rotation.

For the year 2023, the Audit Committee considered the auditors' qualifications by considering both in terms of quality (Performance), which was based on experience, qualifications of auditors, and the price (Price). As a result, it was of the opinion that the auditors from EY Office Company Limited ("EY") were reliable audit firms with good performance, sufficient personnel, and knowledge. Therefore, the Audit Committee gave the opinion to the Board of Directors to propose to the shareholders to approve the appointment of EY as the Company's audit firm and its subsidiaries. 7. Mrs. Nummon Kerdmongkhonchai, CPA No.8368, or
8. Ms. Wilaiporn Chaowiwatkul, CPA No.9309

Suppose the auditors mentioned above can't perform their duties. In that case, EY Office Limited shall assign other certified auditors of the firm to audit and express opinions on the Company's financial statements in place of such auditors.

The audit fee and quarterly review fees of the Company and its subsidiaries for the year 2023 were proposed to be determined in the total amount of 22,242,500 baht as suggested by the Audit Committee that appropriately reviewed, and the Board of Directors approved. Accordingly, the auditor's remuneration was as follows:

**Comparison of auditor's remuneration from 2022 to 2023**

**(Unit: Baht)**

<b>Audit/review of the Company's financial statement</b>	<b>2022</b>	<b>2023</b>	<b>%</b>

Other service fees	Actually paid	Actually paid	Actually paid
<b>Total</b>	<b>18,098,500</b>	<b>22,242,500</b>	<b>22.90</b>

**Enclosure No. 7****Definition of independent director**

**"Independent director"** is defined by the Company to mean a director who does not perform managerial duties and is independent from the Company's top management and controlling shareholders. An independent director must have the following qualifications:

**Qualifications of Independent Director of the Company**

1. An Independent Director must not hold shares which exceed one per cent of the total paid-up share capital of the Company or any of its subsidiary companies, affiliated companies, associated companies or related companies; however, this includes shares held by his/her affiliated persons.
2. An Independent Director must not be involved in the business management of the Company, nor may they be hired as an employee, staff member or regularly-paid advisor of the Company or any of its subsidiary companies, affiliated companies, associated companies, related companies or major shareholders.
3. An Independent Director must not, either directly or indirectly, have an interest in or benefit from the finance or management in the Company or any of its subsidiary companies, affiliated companies, associated companies or related companies. This must be true particularly for the period of two years prior to their appointment as an independent director.
4. An Independent Director must not be an affiliated person or close relative of any executive or major shareholder of the Company.
5. An Independent Director must not be appointed as a representative to look after the interests of any director, major shareholder or shareholder who is an affiliated person of a major shareholder of the Company.
6. An Independent Director must perform his/her duties and express his/her opinion or report on the performance of duties as designated by the Board of Directors, free of control by any executive or major shareholder of the Company, including their affiliated persons or close relatives.
7. An Independent Director must disclose information about his/her current position as independent director of any members of the Company's Group (if applicable), including information about any remuneration received from those entities.
8. An Independent Director must not act as current director of any kind in a listed company which is a member of the Company's Group.

Each independent director must be elected through the nomination procedures of the Board of Directors. The Company's definition of "independent director" is stricter than the minimum requirements of the Securities and Exchange Commission and the Stock Exchange of Thailand. For instance, a regularly-paid advisor is prohibited from being appointed as an independent director of the Company and each independent director must be free of prohibited characteristics and must not, for a period of two years prior to their appointment, have been a party to a transaction which could give rise to a possible conflict of interest with the Company.

**Company's articles of association relating to shareholders' meeting**

-----  
**Chapter 5 Shareholders Meeting**

Clause 35. The board of directors shall hold an annual general meeting of shareholders within four months from the end of the fiscal year of the Company.

Any other shareholders' meeting apart from the above shall be called an “extraordinary meeting”.

The board of directors may call an extraordinary general meeting of shareholders at any time as it deems appropriate or when one or more shareholders holding shares amounting to not less than ten percent of the total number of shares sold enter into a letter requesting the board of directors to call for an extraordinary meeting at any time. However, the matter and reasons for the request of the meeting shall be clearly stated in the said letter. In such case, the board of directors shall arrange a shareholders' meeting to be held within fifteen days from the date of receiving the letter from the shareholders.

If the board of directors does not hold a meeting within the time specified in the third paragraph, the shareholders who entered into a letter or other shareholders collectively holding shares in the number as prescribed, may call the meeting by themselves within forty-five days from the expiration of the period as specified in the third paragraph. In such case, the meeting shall be deemed as being convened by the board of directors, and the Company shall be responsible for necessary expenses incurred as a result of calling the meeting, and shall provide appropriate facilitation.

In case it appears that the number of shareholders attending the shareholders' meeting called by the shareholders as specified in the fourth paragraph does not constitute meeting quorum as prescribed in Clause 38, the shareholders as specified in the fourth paragraph shall be responsible for expenses incurred as a result of calling the meeting against the Company.

The general meeting of shareholders of the Company shall be held at the area where the headquarters of the Company is located or nearby provinces or any other place as the board of directors will determine.

The general meeting of shareholders of the Company may be held via electronic means in accordance with the applicable laws.

Clause 36. In calling a shareholders meeting, the board of directors shall prepare a notice calling for the meeting stating the place, date, time, agenda of the meeting and the matter to be proposed to the meeting together with reasonable details by indicating clearly whether it is a matter proposed for information, for approval, or for consideration, as the case may be, including the opinions of the board of directors on the aforementioned matters, and the said notice shall be delivered to the

shareholder and the registrar for their information not less than seven days before the date of the meeting. The notice calling for the meeting shall be published in a newspaper for three consecutive days before the date of the meeting at least three days.

Clause 37. The shareholders may appoint another person to vote on their behalf in the shareholders' meeting provided that the proxy shall be made in writing in the form prescribed by the registrar and given to the chairman of the board or the person designated by the chairman of the board at the meeting place before the proxy attends the meeting.

Clause 38. In the shareholders' meeting, there shall be at least twenty-five shareholders and proxies from shareholders (if any), or not less than one-half of the total number of shareholders, and such shareholders shall hold shares amounting to not less than one-third of the total number of shares sold in order to constitute a quorum.

In the event that it appears that at any shareholders' meeting when the appointment has passed by an hour, the number of shareholders attending the meeting is still inadequate for a quorum as specified, if the shareholders' meeting was called as a result of a request by the shareholders, such meeting shall be cancelled. If such shareholders' meeting was not called as a result of a request by the shareholders, the meeting shall be called once again and the notice calling such meeting shall be delivered to the shareholders no less than seven days before the meeting date. In the subsequent meeting, a quorum shall not not required.

Clause 39. The chairman of the board of directors presides over the shareholders' meeting. If the chairman does not attend the meeting until half an hour has passed, the vice chairman shall preside over the meeting. If there is no vice-chairman, or there is but he does not attend the meeting or is unable to perform his duty, the shareholders present at the meeting shall elect one shareholder to be the chairman of the meeting.

Clause 40. In voting, one share is entitled to one vote, and the resolution of the shareholders' meeting shall consist of the following votes:

- (1) In an ordinary event, a majority vote of the shareholders who attend the meeting and cast their votes. If there are equal votes, the chairman of the meeting shall have an additional casting vote.

- (2) consideration and approval of the balance sheet;
